Macro Project

Q1 This survey is intended to collect data from faculty ad (or) staff who have recently been awarded an internal grant on behalf of the Scholar and Grants Development Office at SUNY Brockport.

Q2 What Type of academic or creative work did your grant support? Do you believe the process of being awarded an internal grant helped you to expand your research and/or project? Please explain why or why not.

_____

_____

_____

_____

_____

Q3 Were you successful in *applying* for an external grant within the award guidelines (2 year deadline to submit for an external grant)?

○ Yes (1)

○ Maybe/ Still pending (2)

○ No (3)

Q4 If you selected no, what do you think was the reason for being unsuccessful, or unable to apply? What barriers and (or) challenges presented themselves along the way?

If you selected yes, what do you think was the most helpful? Please describe.

_____

Q5 Were you *awarded* the external grant that you applied to?

○ Yes (1)

○ Still Pending/ Not Sure (3)

○ No (4)

Page Break

Q6 How would you describe your experience overall?

○ Excellent (1)

○ Neutral (2)

○ Poor (3)

Q7 What, if anything, would you suggest as an improvement when applying for an internal grant through the Scholar and Grant Development Office (SGDO)? Please Explain.

_____

Q8 How likely are you to complete another external grant application in the future?

○ Not Likely (or will not) (1)

○ Possibly (or unsure) (2)

○ Most likely(or already have/are) (3)

Q9 Would written directions, or a set of pre-recorded modules, that explain and (or) walk you through the grant application process be a helpful tool to have in the future?

○ Yes (4)

○ Maybe (5)

○ No (6)

End of Block: This survey was created to collect data and feedback from faculty and
